HONOR YOUR UNSUNG HERO

True heroes are all around us. Every day hundreds of people positively impact our communities, touching one life at a time and creating enormous change. They are Everyday Heroes—and Verizon Wireless, the Urban League of Greater Cleveland, 100 Black Men and the Consortium of African American Organizations have partnered to recognize these deserving individuals.

Say “thank you” to the teachers, mentors, clergy, volunteers, businesspeople, students and family members who are making a difference. Share their story by nominating them at VerizonEverydayHeroes.com.

You and your nominee could be invited to the Cleveland Everyday Heroes Reception. One winner will be selected from each of the following categories: Business/Technology, Education, Students, Healthcare and Community Service and awarded \$500 and a Droid Xyboard™ by Motorola tablet.
